Re: Long Reach Substation Metering Transformers

Dear Dennis:

In response to your February 28, 1995 letter, the metering transformers in our Long Reach Substation that were identified as having a PCB content of between 50 PPM and 500 PPM have been replaced.

If you need any further information, please call me at 1-800-955-6421.

Sincerely,

Dwight L. Mullett
Engineer, Power Services
